

Dear Hiring Manager,

I am excited to express my interest in the full stack web developer position at your company. With a certification in full stack web development from Aptech Computer Institute and a Bachelor of Arts degree in English Language with second class honors (upper division) from the University of Nigeria, Nsukka, I am confident that my technical skills, combined with my passion for continuous learning and growth, make me a strong candidate for this role.

During my academic journey, I have developed strong skills in coding, problem-solving, project management, effective communication, and interpersonal skills. These abilities allow me to work collaboratively with colleagues and stakeholders.

As a full stack web developer, I am proficient in front-end and back-end technologies, including HTML, CSS, Tailwind, React, JavaScript, Python, PHP, SQL, Git and GitHub. I prioritize design and user experience, ensuring that the websites I create are both functional and visually appealing.

My experiences have prepared me to tackle challenges and deliver high-quality results. I am eager to bring my technical skills and passion for learning to your team, contributing to the success of your projects.

I have enclosed my resume for your review, providing further details on my professional experience, education, and certifications. Thank you for considering my application. I am looking forward to the possibility of an interview.

Sincerely,

Mayowa Timileyin EKUNDAYO
